THE PROFILE 1964

CHRISTIAN BROTHERS HIGH SCHOOL
QUINCY, ILLINOIS
VOLUME V

FOREWORD

The year has been one which history will remember, mostly because of this man. His philosophy of life was courage, and he lived and died most admirably according to his philosophy. This is a year that we will remember also for it has changed our lives. We are seniors—graduation and life unfolds before us. On the following pages we have preserved some of the moments of this year at Christian Brothers. In years to come, we who lived these moments cannot help but see many of these as trivial. We do not have this feeling at present. These moments are the sublime which are fashioning our future. We hope these pages will convey your thoughts back to that year and perhaps to that man and his courage. With this in mind, the senior class of Christian Brothers is proud to present PROFILE '64.

DEDICATION

Just a little over five years ago, Brother J. Timothy entered our new Christian Brothers High School for the first time. He was assigned the demanding task of organizing and directing the curriculum of the then uncompleted school. The job was competently done in direct order as was typical of this man. Consequently, it is this man to whom we owe, in a large part, our sound high school education. In recognition of all that he has selflessly done for the betterment of our school and its students, the Class of 1964 is greatly honored to dedicate the *Profile '64* to our first principal, Brother J. Timothy, F.S.C.

Brother Pius, F.S.C., M.A. Principal, English I, IV.
